EDUCATION

VIT BHOPAL UNIVERSITY   Bhopal, Madhya Pradesh

Bachelor of Technology in Computer Science and Engineering.   Sep-2022 - May-2026
Cumulative GPA: 7.84/10.0.

SKILLS

Technical Skills: C++, JavaScript, React JS, Tailwind CSS, MySQL, HTML, CSS, Git.
Non-Technical Skills: Figma, UI/UX.

WORK EXPERIENCE

Firstcontact : Chandigarh, India   Web Development Intern, Dec 2024 – Mar 2025

- Improved and optimized the frontend of the company's website using Wix, improving UI responsiveness and enhancing user experience, resulting in a smoother navigation flow.
- Integrated backend databases, enabling seamless data connectivity and efficient content management, which improved website performance and user engagement.

PROJECTS

FARMIFY

- Built a responsive farm management platform using React.js, HTML, and Tailwind CSS to streamline 15+ agricultural operations, offering crop tracking, fertilizer guidance, and weather insights via the OpenWeather API.
- Connected the platform to the NABARD portal to display government subsidies and schemes, enhancing accessibility for farmers.
- Developed standalone ML models for crop recommendation and disease prediction (currently hosted separately), achieving accurate outputs and demonstrating potential for full integration.

STUDENTS IN GRIEVANCE

- Designed and developed a web-based platform using HTML, CSS, and JavaScript to streamline complaint filing and support requests for 50+ users.
- Enhanced user communication and support by implementing an intuitive interface and efficient workflows.
- Reduced response times by 20% by optimizing the complaint resolution process and improving backend functionality.

LEADERSHIP AND RESPONSIBILITIES

FINE ARTS CLUB - Event Management Co-Lead
- Coordinated a team of 75 core members and engaged over 400 overall participants in the successful execution of more than six events, attracting a total attendance exceeding 200 individuals while ensuring all objectives were met.
- Mentored new team members, providing guidance and fostering team collaboration to meet tight deadlines and produce high-quality results.

ACHIEVEMENT

- Achieved **1st rank** in Class 12th at the school level with a score of 91.4% **,** secured 5th position in the district in the Class 12th board examinations.
- Successfully completed an 160-day coding challenge in GeeksforGeeks, enhancing analytical and algorithmic skills.
- Two-time Regional Champion in the 100m sprint event and Runner-up in Flute Instrumental competition at the regional level (Bhopal Region).
